## PROFESSIONAL PROFILE

---

Mike Baker has over 20 years of experience in the construction industry. Mike commenced his career as a carpenter at Draeger Construction in 2000 where he performed general construction, framing, electrical, plumbing, drywall, finish carpentry and painting duties. Mike later moved to Tudor Construction as a project manager where he was responsible for project management, scheduling and quality control functions. Since, Mike has taken large roles with restoration and construction companies throughout Northern California both as an operations manager and estimator, where he has become very proficient in Xactimate. Mike's background permits him to serve legal, insurance, corporate and government clients exceedingly well.
